Spellings & MyMaths in Year 2

Dear Parents/ carers,

We are now changing the way in which we issue spellings in Year 2.

Your child has come home with their new set of spellings to be practiced and learnt at home. The children will keep these for one week and they will have their test on the following Friday. There may be some overlap in the spellings that the children come home with but it is crucial that the children know these spellings off by heart by the end of Year 2.

The children also have logins for MyMaths. These can be found on the inside cover of your child's reading journal. It is expected that the children in Year 2 complete their MyMaths homework every week/fortnight. MyMaths is an online learning platform where the children are set Maths homework and challenges linked to what they have been learning at school. Most pieces of MyMaths homework will be set on a fortnightly basis. There are many children that have already been accessing the MyMaths activities at home and also as part of our lunchtime homework club run by Mrs Palmer and Miss Deveney. We understand that it is not always possible for the children to access the MyMaths tasks every night and that is why we have given the children a fortnight to complete each task. The children are expected to complete this homework and if they can't complete it at home, they should be attending homework club.

Please encourage them to attend if they are not able to complete their tasks at home.

If you have any questions or queries about either of these aspects, please feel free to come and speak to a member of the Year 2 team. Many thanks for your continued support

Kind regards

The Year 2 Team

Mrs Causebrook
