<p>Saturday Programme 13th March</p>	<p>★ Enrol by Wednesday 10th March to receive e-vouchers for the cost of your session ingredients or session resources delivered to your door.</p>
<p>10-11.30 Fun science activities for families</p>	<p>Try out some fun experiments at home and find out why things work as they do, using some very ordinary items round the house. Free: voucher for your raw materials</p>
<p>10.11.30 Crochet – Making friendship bracelets and flowers</p>	<p>Learn basic crochet stitches: chain stitch, double and treble crochet. You will use them to create friendship bracelets and flowers - a perfect give for mums! Free: crochet hook and wool</p>
<p>12.30-2.00 Pizza workshop</p>	<p>Everyone loves pizza and homemade can be much healthier. Have fun cooking together. Free: voucher for your ingredients.</p>
<p>12.30-2.00 Mug Cakes</p>	<p>Mug cakes are quick and easy to make and as it's Mothers Day this weekend why not treat that special someone. Free: voucher for your ingredients.</p>
<p>2.30-4.00 Fun science activities for families</p>	<p>Try out some fun experiments at home and find out why things work as they do, using some very ordinary items round the house. Free: voucher for your raw materials</p>
