

Children Walking to and from School Alone Policy

At St Andrew's CEVA Primary School, we provide Christian worship and Christian teaching. Spiritual and moral development are central to the life of our school and this will be reinforced in the school's Walking to and from school alone Policy where appropriate.

POLICY ON SAFEGUARDING PUPILS

WALKING TO AND FROM SCHOOL ALONE

There are no laws around age or distance of walking to school. A families' guide to the law states:

"There is no law prohibiting children from being out on their own at any age. It is a matter of judgement for parentsto decide when children can play out on their own, walk to the shops or school."

Parents are legally obliged to ensure their children get to school and attend regularly, but this in itself does notdisallow independent travel.

In addition, as a school we have a duty of care for the safety and well-being of our children and therefore this policy is to help advise parents/carers in the decisions they make for their children in relation to safety to and from school. We also have an obligation to alert relevant authorities should we believe a child's welfare is at risk.

Pupils in Early Years Foundation Stage (Reception), KS1 (Years 1 & 2) and Years 3 and 4

Our agreed school policy is that pupils in EYFS or Years 1, 2, 3 and 4 **should NOT walk to or from school on their own** or be left on their own on **or near the school premises (i.e. near the school gates)** either before or after school.

In addition, we will only hand over pupils to named adults or older siblings who are on the school data form **provided they are 18 years old or above**. Pupils will not be handed over to other adults unless the school has beeninformed by the parent that they have made this arrangement. We also ask that parents keep us informed of any changes in arrangements. If someone turns up to collect a child and we have not been notified, the adult will have to wait until we have verified his or her identity.

If no one turns up to collect a child in these year groups, they will be kept in school and parents contacted.

If the child is not collected within 45 minutes and we have failed to make contact with the child's carer, we have aduty of care to refer to social services.

Pupils in Year 5 and Year 6

For pupils in Year 5 and Year 6, we believe that if children **live within walking distance to school and are able to walk a safe route** then parents need to decide whether their child is ready for the responsibility of walking to and from school alone. **If a child is attending any extra- curricular activities or after school provision then we request that all children attending these sessions are collected by an adult on time.** Failure to collect children punctually from these activities could lead to activities being withdrawn. **We also request that children attending breakfast club are brought to school and signed in by an adult.**

When deciding whether a child is ready to walk to school alone, parents should assess any risks associated with the route to school and assess their child's confidence. There are many ways parents can prepare their child to make an independent journey. One way is to follow them a few times on their journey, so parents know how safe and sensible they are. It is also strongly advised that children who are walking without an adult have a cheap mobile phone that they are able to use if they need help. All mobile phones brought into school need to be handed into a member of school staff immediately which is in line with our safeguarding policy.

When deciding whether a child is ready for the responsibility of walking to and/or from home parents

might want to consider the following:

1. Do you trust them to walk straight to school or straight home, using the agreed safe route?
2. Are there roads to cross on the route and how busy/safe are those roads?
3. Do you trust them to behave sensibly when with a friend or group of friends?
4. Are they road safety aware?
5. Would they know what to do if a stranger approaches them?
6. Would they know what to do if they needed help?
7. Do they understand about keeping themselves safe and not to make any dangerous choices, either by themselves or with a group of friends?

If parents decide that their child is ready for this responsibility, the attached form needs to be completed and returned to their class teacher or the school office.

How to complete the form

- (1) Circle yes or no for each statement (please note that if you circle 'no' for any of the statements, your child may not be ready to walk to or from school.
- (2) Read the information and if you agree please sign and date if you want your child **to walk to school alone**.
- (3) Read the information and if you agree, please sign and date if you want your child to **walk home alone**.
- (4) Please hand the form into the office or to the class teacher. For safeguarding purposes, the form needs to be submitted prior to any independent travel.
- (5) If at any time you need to change the arrangements, please ensure you let the school know in writing.

As part of keeping children safe and to support our families in the case of an emergency, we do request that parents provide us with a copy of the walking route.

Parents who have completed and handed in the form will receive a letter from school to confirm that we have received your permission form for their child to either walk to school alone, walk home from school alone or both.
