Monday 26<sup>th</sup> November

Dear Parent/Guardian,

**Foundation Stage Learning Together Morning**

We would like to invite you to share a morning in school with us for you to see how we teach the children to read and write using phonics and the way in which we use Numicom in EYFS. These are two of the most important skills that they are currently learning and we hope that this morning will help to show you how you can support your child's learning.

After we have demonstrated some sample English and Maths lessons, we will have some activities for you to enjoy doing with your child and outside activities set up for them to show you the things they have most enjoyed so far this year!

The morning will be on Thursday 6<sup>th</sup> December, from 9am until 10:30. You will need to drop your children off at the normal place, then walk round and sign in at the main office entrance.

We very much hope to see you, as we feel it will be a positive experience for teachers, parents and the children! If you are able to attend please return the form below so we are able to get an idea of how many parents will be attending and plan activities accordingly.

Yours sincerely

Mrs Hodson
